Enjoy your  
**MEGALODON**  
cardboard standee!

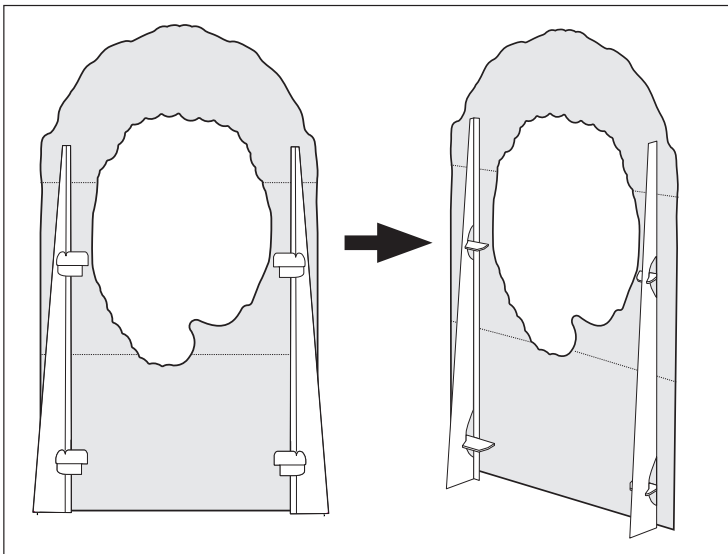

**A jaw-some way to kick off discovery!**

To set up your standee, follow the instructions below. Then stand or prop it near the Book Fair or a high-traffic area in your school. Get creative! Add balloons or other decorations so your standee stands out.

Keep the box handy for storing your standee because—after the Fair—it's yours to keep!

**Setting up your standee is easy.**

1. Fold out the support stands on the back.
2. Fold down the cardboard notches to lock the stands into place.
3. Tear off any extra perforated material from the edges of your standee.

**KEEP OR  
RECYCLE**  
after the Fair!

The jaw of the MEGALODON  
was estimated to be

**3X  
THIS SIZE**

That's big enough to  
swallow two grown-ups!
