

Teacher Wish List **BRING ON THE BOOKJOY!**

In setting up a Teacher Wish List, you're encouraging Fair shoppers to help build classroom libraries, giving children access to books throughout the school day. And every purchase at the Fair directly benefits your school. That means even more books and classroom resources for teachers and their students.

HERE'S HOW THE TEACHER WISH LIST WORKS:

- 1** Plan a Teacher Preview for faculty members to check out books prior to the Book Fair.
- 2** Create a Teacher Wish List display board to highlight the program at the Fair. Also showcase the display board in a prominent location at the Teacher Preview.
- 3** At the Preview, have teachers select books for their classrooms by filling out Wish List donation slips and putting them into their pockets on the display board. Encourage teachers to also fill out their Wish Lists (available to download from the Host Hub) and display the lists during the Fair to invite parent donations.
- 4** During the Fair, direct customers to the Teacher Wish List donation slips and gift certificates (in the card pockets of the display board) to help build classroom libraries.
