

Implement with **Flexibility**

RISE offers a range of implementation models to fit each school and district's different needs, challenges, and resources. The various implementation models allow for flexibility with 1–4 instructors, 30–60 minutes a day, based on available instructional staff.

STUDENTS READING AT
LEVELS C–N

Implementation Models

 **4 Instructors**

 **1 day**

 **60 min per day**

Station Configuration

Students rotate through each station daily. Each instructor manages one station.

4 groups, 16 students total

 **3 Instructors**

 **1 day**

 **45 min per day**

Station Configuration

Students rotate through Stations 1, 2, and 4 during the session and reread the text (Station 3) outside of RISE with a classroom teacher, friend, or teaching assistant.

3 groups, 12 students total

 **2 Instructors**

 **2 days**

 **30 min per day**

Station Configuration

Students do Stations 1 and 2 on Day 1 and Stations 3 and 4 on Day 2. Instructors are assigned one station each day, which they repeat with each group.

2 groups, 8 students total

 **2 Instructors**

 **1 day**

 **60 min per day**

Station Configuration

Students rotate through all four stations each day. Instructors are assigned two stations, which they repeat with each group.

2 groups, 8 students total

 **1 Instructor**

 **2 days**

 **30 min per day**

Station Configuration

Students do Stations 1 and 2 on Day 1 and Stations 3 and 4 on Day 2. One instructor is assigned to all four stations.

1 group, 4 students total

 **1 Instructor**

 **1 day**

 **60 min per day**

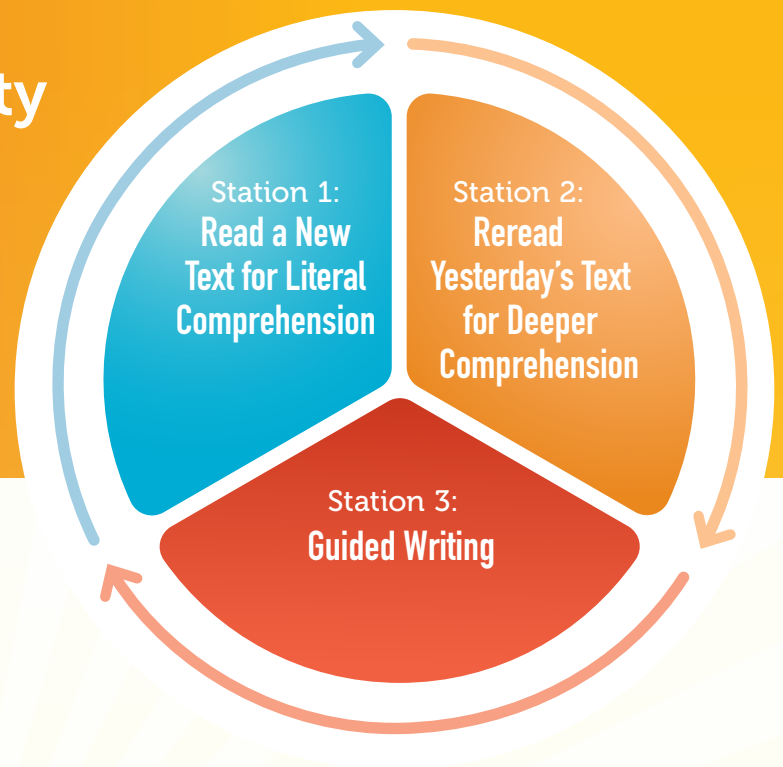

Station Configuration

Students do all four stations each day. One instructor is assigned to all four stations.

1 group, 4 students total

Implement with **Flexibility**

RISE Up offers a range of implementation models to fit each school and district's different needs, challenges, and resources. The various implementation models allow for flexibility with 1–3 instructors, 45 minutes a day, based on available instructional staff.

STUDENTS READING AT
LEVELS O–Z

Implementation Models

 **3 Instructors**

 **1 day**

 **45 min per day**

Station Configuration

Students rotate through the three RISE Up stations. Each instructor is assigned one of the three stations.

3 groups, 12 students total

 **2 Instructors**

 **1 day**

 **45 min per day**

Station Configuration

Each instructor is assigned either Station 1 or Station 2, which they repeat with each student group. Then both instructors do Station 3 at the end of the session.

2 groups, 8 students total

 **1 Instructor**

 **1 day**

 **45 min per day**

Station Configuration

One instructor works with one group each day.

1 group, 4 students total
