

Ensure That ALL of Your Students Have Books in the Home

This past year has shown us how critical the family's role is in their children's academic achievement. It's now more important than ever for teachers and families to be in an ongoing partnership to ensure that students have a strong literacy foundation at home.

My Books Every Day combines diverse titles with hands-on activities to reinforce learning skills, build home libraries, and encourage year-round independent reading.

Each thematic set includes:

- Five high-interest books
- A Student Journal with fun activities that will entertain and sharpen literacy and writing skills
- A Family Guide with tips for families to support their children's language and literacy development

Each classroom set includes:

- 30 student thematic sets, 150 books
- A Teacher Program Guide that contains rubrics by grade and strategies for program implementation in school and at home

Each full-year set includes:

- 3 classroom thematic sets for 30 students, 450 books
